#### Position Description

The Landscape Construction Crew Member position is a seasonal (9-month, March-December) position responsible for a wide range of duties. The role of the crewmember is that of a mobile, organized and flexible team member with responsibility for installing rooftop and landscape projects with fellow crewmembers. This position reports to the Foreman, Assistant Project Manager, and Project Manager.

#### Responsibilities:

- Assist in the field to construction and maintenance crews
- Tasks may include:
  - Demolition/removal of materials on a jobsite
  - Installation of ground plane, planter boxes, pergola shade systems, landscape dripline irrigation systems, landscape lighting and transformer set up, water features, furniture and umbrellas.
  - Shade panel set up and take down
  - General landscaping work
  - General labor, clean up, mobilization of materials, parts and materials pick up using a company vehicle.
  - Assist maintenance team to demo and plant annuals when needed
  - Power washing various surfaces
  - Sand and oil various types of wood
  - Irrigation startups and blow outs
- Work with and take direction from Foreman, Assistant Project Manager, and Project Manager.
- Work respectfully and efficiently with fellow CSG team members and other sub-contractors on site

#### Requirements:

- Self-starter with ability to manage time efficiently and responsibly
- Ability to quickly move between projects; physical strength required for installation duties; mechanical aptitude.
- Ability to be flexible and adapt to evolving working conditions
- Relevant experience/background in hardscape, landscape construction, construction trades, etc.
- Respectful language and behavior around staff, clients and jobsite
- Valid Illinois driver's license and clean driving record
- Daily transportation to jobsites and our yard
